

## WIDGETS: CREATING AN INNER SECTION:

1. To structure a section further (see Page 53: "Widgets: Creating a Section"), first ensure the "Elements" tab is selected on the editing sidebar. To get there, select the nine small squares at the top of the sidebar next to the word "elementor". All the widgets are stored there.

2. select the "Inner Section" widget under the "elements" tab. Drag the widget toward the right preview side. Place it in front of the section bounding box, and hover it until you see a blue highlighted section appear.
